

Our new residence hall

Designed in consultation with CIA students, our hall houses first-year students in suites with two bedrooms connected by a shared workspace. The common work areas—which are outfitted with drafting tables—underscore our philosophy of encouraging collaboration. You won't work in a vacuum at CIA!

Beyond your suite, you'll enjoy an onsite print center; workout room; lounges; rooftop decks; street-level retail including a bowling alley; and views of MOCA Cleveland, the downtown skyline, and Lake Erie.

Your first year of college presents a lot of changes. Living on campus gives you a sense of community, opportunities to collaborate with classmates, and more time to commit to work.

Residence hall suites

Each residence hall suite houses four first-year students, with two bedrooms, two baths, and a shared kitchenette and common area. Your suite will come furnished with an extra-long twin bed, a four-drawer dresser, and an artist's work desk and chair. Your kitchenette will have a sink, microwave, and mini-fridge.

Housing Deadline

The deadline for priority housing is May 1. It is imperative that you submit your housing deposit on or before the deadline to reserve a space in our residence hall. If your deposit arrives after May 1, we cannot guarantee housing in our residence hall, so you will be placed based on availability in the order your deposit was received. Once our residence hall has reached capacity, the Office of Student Life + Housing will provide alternatives to assist in meeting your housing needs.
