

TRANSFER YOUR CREATIVITY

Through this partnership, Lakeland Community College students who complete a specified curriculum and are admitted to CIA will transfer with 30 credit hours.

Students would enter CIA as sophomores and directly begin their degree program in one of CIA's majors in visual arts, craft, and design.

Why CIA?

Our unparalleled combination of access to world-class faculty, rigorous curriculum, cultural assets and connections to real-world experience offers a select, diverse student body an education that can't be matched in the United States.

The Cleveland Institute of Art attracts students like you who are serious about becoming professional artists and designers and who seek a college that is both intellectually stimulating and artistically challenging.

Located in Cleveland's University Circle—voted the Best Arts District in the United States—we offer an exceptional college experience, combining the focus of a small college experience with the excitement of an urban cultural campus.

Course Options

Below each CIA course (in blue) are Lakeland course(s) that, if completed successfully and with a minimum grade of “C” or higher, meet the CIA course equivalency.

Lakeland Community College and CIA encourage you to communicate and work closely with your academic advisor and admissions staff at both colleges as you pursue this path.
